Subject: Dimock Call

Jerry -

These are the questions I forwarded to reps (on Friday) for the call today. I'm only able to join the call for about 10 minutes. However, folks indicate to me they are prepared to respond to your questions. Have I captured your questions accurately?

=====

Here are questions HEC would like responses for the follow-up call on Dimock, PA.

1. What is the timeline for interplay between DEP and Region 3.
2. How much communication and what type was there between the State and EPA regarding water to residents was there, prior to EPA engaging Cabot.
3. What were the conversations that EPA had with Cabot prior to decision to provide water to residents.
4. What is the budget breakdown of funds allocated to fund work at Dimock, PA and Pavillion, WY (may not be able to respond on Pavillion for this call).

Response needed in preparation of Budget hearing on Tuesday, February 28th.
